

SHOWCASE – vrbn studios

‘Back When’

CONTEXT

‘Back When’ is a student project done at the Mediadesign University of Applied Sciences (MDH) in Munich, Germany.

The students: Marcel Schadt, Alex Ferstl, Julia Capko, Katharina Betlejewski und Tobi Forschner.

vrbn studios 3D buildings were used for the creation of the cityscapes. Find a technical making of in the links below.

Congratulations go out to the students, Prof. Thomas Gronert and the MDH for this amazing project!
